

Thank you for your consideration to donate towards the Birchmount Bluffs Neighbourhood Centre’s SHARE365 program. All donations, financial and in-kind are greatly appreciated and go directly to the delivery of the program.

NOTE: BBNC strives to ensure that all donated items are distributed equitably to SHARE365 participants. With that in mind, we request that consideration be made in terms of products donated. For hygiene reasons, BBNC **cannot** “break apart” any items for distribution. As an example – a pack of 10 toothbrushes cannot be opened and distributed to 10 individuals. That pack will go to one family. Unless individually wrapped, a pack of 48 toilet paper will go to one family. 15 rolls of paper towel would go to one family. A package of 20 razors would be distributed to one family. Please consider bulk donations that are individually wrapped, or multiple smaller packages. 3 or 4 razors in a package is much better for distribution.

In terms of financial contributions, Tax Receipts will be created for donations of \$20 or more. Please consider donating through the **BBNC Donate Now button** on our website – www.bbnc.ca . Financial contributions allow for greater flexibility in terms of services offered for participants.
